Yep! I haven't heard back from Ayn about meeting in the RA's conference room yet. Paula also wants to

Thanks Mary. I have prep scheduled for the call with Rep. Rush staff tomorrow from 1:30-2:00, prior to the call at 2:00p.

I spoke with the staffer earlier and this is an informational call. They are trying to gather information on Pavilion. It popped up on their radar with a letter that had gone around led by Rep. Schakowsky.

Staff have confirmed we should be prepared to discuss background on how/why EPA got involved, why the agency has extended the deadline and next steps.
